Commissioner for Patents

The amendment filed on August 16, 2006 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because the currently pending claims 199-228 are drawn to two separate inventions "candy supported frozen comestible" and "suitably shaped candy for support". Both of the inventions listed above are different from the election made by the applicant on January 23, 2003, where the applicant elected the species III or "a composite support". Currently pending claims are not directed to a composite support for a frozen comestible as elected.

Previously examined claims 179-198 were directed to a "supported frozen comestible with a composite candy support", which are different from the currently submitted claims. Thus claims 199-228 have been withdrawn from consideration as being directed to a non-elected invention. See 37CFR 1.142(b) and MPEP § 821.03.

Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jyoti Chawla whose telephone number is (571) 272-8212. The examiner can normally be reached on 8:00 am to 4:30 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Milton Cano can be reached on (571) 272-1398.
